# THE ORIGINAL INFLATABLE MOVIE SCREEN

AIRSCREEN is so much more than just any inflatable movie screen. AIRSCREEN guarantees the highest quality possible you expect from the Original. To join the layers of the AIRSCREEN fabric, we use the advanced hf-welding process to avoid potential structural weakness caused by perforation of the tube fabric when mechanical sewing is involved. You don't want a wrinkly screen surface and a floppy frame? Understandable!

## COMPONENTS

- ▶ AIRSCREEN airtight 16 ft x 9 ft (4.88 m x 2.74 m)
  - ▶ Inflatable frame
  - ▶ Front or rear projection screen surface
  - ▶ Screen ties
  - ▶ Belts & ratchets
  - ▶ Handheld blower
  - ▶ Manual
  - ▶ 2 year warranty
- ▶ Screw ground anchor set
- ▶ Transport case

*Wrinkle free 16:9 screen surface with black backside - no disturbing backlight!*

*Ultra-solid frame due to hf-welding - craftsmanship made in Germany!*

*Airtight framework - no permanent inflation needed!*

## OPTIONAL EXTRAS

**+ Additional front or rear projection surface** upon request

**+ Extended warranty (one year)** for 389 EUR

# FULL HD PROJECTOR

**AIRSCREEN**

The Full HD EH500 produces crystal clear, bright images, perfect for movie projection where detail really matters. Full HD (1,920p x 1,080p) has more than twice the resolution of HD Ready (1,280p x 720p). EH500 is compatible with HDTV broadcasts and high-definition media to project impressive full 1,080p images and video in their original digital brilliance. Moreover, this native 1,080p projector accepts a wide variety of computer and video input signals.

## COMPONENTS

- ▶ Optoma EH500
- ▶ DLP projector
- ▶ Full HD (1,920p x 1,080p)
- ▶ 4,700 ANSI Lumens
- ▶ 10,000:1 contrast
- ▶ Including bag and manual
- ▶ 3 year warranty
- ▶ Projector stand
- ▶ HDMI cable

*Full HD resolution - do not settle for anything less!*

*DLP technology - for greater contrast and a cinematic viewing experience!*

*Virtually maintenance free - filter-free projector design!*

## OPTIONAL EXTRAS

**+ Projector upgrade (OPTOMA EH515 with 5,500 ANSI Lumens) for 1.400 EUR**

# COMPACT SOUND SYSTEM

The new HK Audio LUCAS NANO 300 probably is the world's smallest and lightest multi optional sound system. Ultra compact and exceedingly lightweight, these petit powerhouses are the perfect PAs for small open-air cinema. The many setup options and amazing performance add up to a fascinating audio experience powered by new technologies. It travels light in one hand and practically disappears once it's set up.

## COMPONENTS

- ▶ HK Audio LUCAS NANO 300
    - ▶ Active 2.1 PA system
    - ▶ 1x subwoofer (160 Watt) + 2x satellites (35 Watt)
    - ▶ Including stands, cables, roller bag and manual
    - ▶ 5 year warranty
  - ▶ Micro mixer
  - ▶ Audio cables
    - ▶ RCA and 3.5 mm mini jack cable to connect sound source to micro mixer\*
- \* Sound source (e.g. Laptop, Blu-ray player, etc.) to be obtained by user

*Reduced to the max - our micro mixer is extremely easy to use!*

*The best match -  
designed & engineered in Germany!*

*Very small footprint -  
ideal for outdoor & mobile use!*

## OPTIONAL EXTRAS

**+ Sound rack with Blu-ray player, mixer, microphone, etc.** for 999 EUR

**+ Sound upgrade (twice the power)** for 1,090 EUR surcharge
