THE ORIGINAL INFLATABLE MOVIE SCREEN

AIRSCREEN

AIRSCREEN is so much more than just an inflatable movie screen. AIRSCREEN guarantees the highest quality possible you expect from the Original. To join the layers of the AIRSCREEN fabric, we use the advanced hf-welding process to avoid potential structural weakness caused by perforation of the tube fabric when mechanical sewing is involved. You don't want a wrinkly screen surface and a floppy frame? Understandable!

COMPONENTS

- ▶ AIRSCREEN classic 20 ft x 11.25 ft (6.10 m x 3.43 m)
 - ▶ Inflatable frame
 - ▶ Front or rear projection screen surface
 - ▶ Screen ties
 - ▶ Belts & ratchets
 - ▶ Permanently running blower
 - ▶ Manual
 - ▶ 2 year warranty
- ▶ Screw ground anchor set
- ▶ Transport case

OPTIONAL EXTRAS

+ **Noise reducing blower case** from 999 EUR

+ **Extended warranty (one year)** for 579 EUR

+ **AIRSCREEN airtight** for 499 EUR surcharge

+ **Additional front or rear projection surface** for 688 EUR

FULL HD PROJECTOR

AIRSCREEN

The Full HD EH500 produces crystal clear, bright images, perfect for movie projection where detail really matters. Full HD (1,920p x 1,080p) has more than twice the resolution of HD Ready (1,280p x 720p). EH500 is compatible with HDTV broadcasts and high-definition media to project impressive full 1,080p images and video in their original digital brilliance. Moreover, this native 1,080p projector accepts a wide variety of computer and video input signals.

COMPONENTS

- ▶ Optoma EH500
