THE ORIGINAL INFLATABLE MOVIE SCREEN

AIRSCREEN

AIRSCREEN is so much more than just any inflatable movie screen. AIRSCREEN guarantees the highest quality possible you expect from the Original. To join the layers of the AIRSCREEN fabric, we use the advanced hf-welding process to avoid potential structural weakness caused by perforation of the tube fabric when mechanical sewing is involved. You don't want a wrinkly screen surface and a floppy frame? Understandable!

COMPONENTS

- ▶ AIRSCREEN classic 24 ft x 13.5 ft (7.32 m x 4.12 m)
 - ▶ Inflatable frame
 - ▶ Front or rear projection screen surface
 - ▶ Screen ties
 - ▶ Belts & ratchets
 - ▶ Permanently running blower
 - ▶ Manual
 - ▶ 2 year warranty
- ▶ Screw ground anchor set
- ▶ Transport case

OPTIONAL EXTRAS

+ **Noise reducing blower case** from 999 EUR

+ **Extended warranty (one year)** for 749 EUR

+ **AIRSCREEN airtight** for 499 EUR surcharge

+ **Additional front or rear projection surface** for 992 EUR

BRIGHT HD PROJECTOR

AIRSCREEN

The Full HD EH515 produces crystal clear, bright images, perfect for movie projection where detail really matters. Full HD (1,920p x 1,080p) has more than twice the resolution of HD Ready (1,280p x 720p). EH501 is compatible with HDTV broadcasts and high-definition media to project impressive full 1,080p images and video in their original digital brilliance. Moreover, this projector accepts a wide variety of computer and video input signals.

COMPONENTS

- ▶ Optoma EH515
- ▶ DLP projector
- ▶ Full HD (1,920p x 1,080p)
- ▶ 5,500 ANSI Lumens
- ▶ 10,000:1 contrast
- ▶ Vertical & horizontal lens shift
- ▶ Including bag and manual
- ▶ 3 year warranty (lamp: 1 year)
- ▶ Projector stand
- ▶ HDMI cable

Lens shift - easy adjustment of the projected picture!

Full HD resolution - do not settle for anything less!

Crisp whites & ultra-rich blacks - DLP technology for more contrast!

OPTIONAL EXTRAS

+ Projector with interchangeable lens (EIKI LC-WUL100) for 1,299 EUR surcharge

COMPACT SOUND SYSTEM

Compact components, easy handling and great sound at every volume level. Its cutting-edge speakers and digital amplifiers deliver even more power in a lighter, smaller package. The outcome is a big, lush sonic image that remains transparent at all volume levels.

COMPONENTS

- ▶ HK Audio LUCAS IMPACT
 - ▶ Active 2.1 PA system
 - ▶ 1x subwoofer (700 Watt) + 2x satellites (250 Watt)
 - ▶ Including stands, cables, cover and manual
 - ▶ 5 year warranty
 - ▶ Micro mixer
 - ▶ Audio cables
 - ▶ RCA and 3.5 mm mini jack cable to connect sound source to micro mixer*
- * Sound source (e.g. Laptop, Blu-ray player, etc.) to be obtained by user

Reduced to the max - our micro mixer is extremely easy to use!

Loud & clear - transparent sound experience at all levels!

The best match - made in Germany!

OPTIONAL EXTRAS

+ Sound rack with Blu-ray player, mixer, microphone, etc. for 999 EUR surcharge

+ Sound upgrade (twice the power) for 3,790 EUR surcharge
