# THE ORIGINAL INFLATABLE MOVIE SCREEN

**AIRSCREEN**

AIRSCREEN is so much more than just any inflatable movie screen. AIRSCREEN guarantees the highest quality possible you expect from the Original. To join the layers of the AIRSCREEN fabric, we use the advanced hf-welding process to avoid potential structural weakness caused by perforation of the tube fabric when mechanical sewing is involved. You don't want a wrinkly screen surface and a floppy frame? Understandable!

## COMPONENTS

- ▶ AIRSCREEN classic 40ft x 20ft (12m x 6m)
  - ▶ Inflatable frame
  - ▶ Front or rear projection screen surface
  - ▶ Screen ties
  - ▶ Belts & ratchets
  - ▶ Permanently running blower
  - ▶ Manual
  - ▶ 2 year warranty
- ▶ Screw ground anchor set

*Wrinkle free 2:1 screen surface with black backside - no disturbing backlight!*

*Ultra-solid frame due to hf-welding - craftsmanship made in Germany!*

*Permanently running blower - the screens stays inflated even with smaller punctures!*

## OPTIONAL EXTRAS

**+ Noise reducing blower case** for 1,990 EUR

**+ Additional front or rear projection surface** for 2,369 EUR

# BRIGHT HD PROJECTOR

**AIRSCREEN**

The Full HD EH501 produces crystal clear, bright images, perfect for movie projection where detail really matters.
